rks: xxii. With respect to the maintenance works for the diverted seawater supply system to the Windsor House Cooling water intake and the suspension of seawater supplies to Windsor House from the water storage tank from 6 November 2015 to 10 November 2015, the respective water quality monitoring at WOM station C7 was cancelled on 6 November 2015 flood tide and was temporarily suspended on 9 November 2015. The aforesaid monitoring station was resumed on 11 November 2015 upon completion of the maintenance works.
